Moulton Student Global Citizenship Grant
2023-2024 Nomination Form

In honor of the Coalition’s 25th anniversary in 2016, co-founder Meg Moulton established an annual grant for a faculty-led team of member school students. The grant will help engage girls in leadership, fortify their strategic thinking, and enhance their global mindfulness by developing empathy and respect for others.

The grant will be awarded to a student team in grades 9 and/or 10. Guided by a designated faculty member, the student team will work on a project they propose that is directed at generating educational opportunities for underserved girls in developing countries. Two ICGS member schools are welcome to collaborate on a project and submit a joint proposal; preference will be given to submissions representing two member schools.

Completed nomination forms should be sent to info@girlsschools.org with the subject line “Moulton Grant Nomination (School Name(s)).” Only email submissions will be accepted. A committee of the ICGS Board of Directors selects the Moulton Student Global Citizenship Grant recipient(s).

Submissions must be received by 5:00 p.m. Eastern Time (US/Canada) on October 13, 2023.
