School Permission and Signatures

Thank you for applying to the Global Action Research Collaborative on Girls’ Education! Before completing this permission form, please ensure you have read the program information and expectations for participation detailed on the ICGS website.

Please note that to participate in this action research program you and your head of school/head teacher/principal acknowledge that:

- You are teaching your own class at a girls’ school.
- Your research will be conducted with your own class or group of students.
- The project is not designed for co-teaching of a class, nor for observing other teachers and classes as comparatives.

Requirements and considerations

- Attendance at all training, online and in person, and the two consecutive in-person GARC Trainings at the ICGS conferences in Baltimore, USA (June 2024) and Philadelphia, USA (June 2025) is a requirement of participation in the program.
- A one-time fee of USD500 is payable on acceptance into the program. This fee is non-refundable.
- Cost for registration, travel, and accommodations at the conferences is the responsibility of the school.
- The school is expected to support their fellow during the program by providing release time during the academic year to write the research report.

The deadline for completed applications is **October 16, 2023.**

Acceptance and declination notifications will be sent via email on November 1, 2023.
